Miami Rowing and Watersports Center Waiver - Save Our Sisters

In consideration of being allowed to participate in any way at the Miami Rowing Club, the undersigned acknowledges, appreciates and agrees that: the risk of coming in contact with a person who has been affected by any type of illness including but not limited to Covid19 while at the facility, knowingly or unknowingly, is entirely at their own risk.

As a result, the undersigned also agrees to follow all federal, state, and local government agencies recommended social distancing and have, in many locations, prohibited the congregation of groups of people.

Miami Rowing and Watersports Center ("MRC") has put in place preventative measures to reduce the spread of bacterial virus' including COVID-19. However, MRC cannot guarantee that you will not become infected with a bacterial virus including COVID-19. Further, attending and participating in activities at MRC could increase your risk of contracting an illness.

In re-opening the facilities, MRC is following guidelines set forth by federal, state, and local governments and federal and state health agencies. These guidelines are protocols for use of the MRC facilities, distributed to the membership base and published at the facilities. These guidelines are subject to review and revision. Accordingly, any participants of activities at the MRC should routinely review these protocols and are expected to comply with them in their entirety. Failure to comply with these protocols shall present cause for immediate removal from the premises.

1. Masks must be worn in and around the boathouse, parking lot, boat yard, on and off the docks. Masks can be removed once on the water but should be put back on when returning to the dock or shoreline. Masks should be worn in addition to social distancing.

2. All organizations and athletes must follow state and ever changing local rules and regulations set forth by the City of Miami public health authorities including group size.

3. Training should focus on a "get in, train, get out" approach, minimizing unnecessary contact. Although the tent area will be reopened, its use is limited. No meeting or social gatherings will be allowed.

4. Individuals should always maintain social distancing of at least six (6) feet in all areas when social distancing is required. This includes coaches, captains, athletes and staff.

5. Training should be allowed in the 20 man dragon boats but limited to 10 paddlers plus a steersman/helm. They should sit in every other seat in a zippered effect (see diagram).

6. Bathrooms are open but limited to 1 person at a time. Showering and changing of clothes will not be allowed at this time.

I, on behalf of my heirs, assigns, personal representatives and next of kin, hereby, release and hold harmless Miami Rowing Club, The City of Miami and Miami Rowing and Watersport Center from all negligence. I have read the release of liability and assumption of risk agreement, fully understand its terms, understand its contents and assume all risks and sign it freely and voluntarily.

Thank You for Your Interest in Miami's Breast Cancer Survivor (SOS) Dragon Boat Team

Maybe you thought you'd never have breast cancer and, even more unlikely, join a dragon boat team. You are not alone. SOS was founded in 2007 by survivors who had a vision for health, teamwork, and competition. They didn't know how to paddle, and you don't need to know either. So how do you get started?

The best way to learn is to come paddle with us.

Please contact Nini Fernandez at nnf0229@bellsouth.net. She will schedule you for a SATURDAY paddling session with Team SOS. Nini will give you detailed information about the time, location and directions to where we paddle. Nini will also answer questions/concerns you may have.

We will give you basic instructions and make it easy for you to get into the boat. Safety is our priority.

What to know about a practice session

Wear comfortable shorts/leggings that don't absorb or hold moisture. Tighter fitting clothes are more appropriate than baggy fit. Don't wear flip flops or tennis shoes. Water shoes/sandals with a grip are best.

Use sunscreen, sunglasses that won't fall off, and a baseball type hat to see better when the sun is shining. Wear a compression sleeve if you have concerns about lymphedema. Bring 32 ounces of water to stay hydrated.

Lock your car and keep valuables to a minimum. No need for jewelry, makeup, or perfumes. We discourage fragrances because of team members with allergies. Phones and key fobs are not recommended in the boat unless in a dry bag. We provide the equipment you need to get started (kayak, paddle, personal floatation device [pfd /life vest]).

Our hope is that you will join the team

- Team SOS provides 2 FREE paddling sessions. After paddling with us 2 times, you must activate membership to continue to paddle with the team. The activation fee is \$25.
- Membership dues are normally \$25/monthly or \$300 annually; however, because of these unusual times, **we have reduced the membership dues to \$150 annually for 2021 only**. Please don't let cost hinder your participation. If you have concerns about the membership dues, let us know.
- We buy our own equipment and uniforms, which are subsidized by SOS. No need to buy equipment yet.
- We **strongly encourage** exercise and training off the boat for cardiac and strength conditioning.

SOS is a 501(c)(3) non-profit organization that is guided by a Board of team members who are elected for 2-year terms. We are volunteer-based organization. Coaches are paid as independent contractors. We race other breast cancer survivor teams several times a year at locations mostly in Florida; however, we also compete internationally. For pictures that show the joy and collaboration of being a member of SOS check us on:
